## Connection themes

Individuals with this connection pattern maintain warm, dependable relationships that serve as a secure base. They feel close to the people who matter, can count on others to be there, and readily show up for others in turn. Loneliness and conflict rarely weigh on them, and their connections form a steady emotional foundation. People with this pattern tend to describe their relationships as a genuine source of strength, one worth continuing to nurture.

### Your Close Connections

Bonds run close and secure. A set of dependable, emotionally warm relationships forms a steady base, with genuine give-and-take.

### Relational Challenges & Hardship

Relationships feel light and low-friction, and conflict or difficult circumstances rarely intrude.

### Loneliness & Disconnection

Loneliness is largely absent. There is a strong sense of belonging and a positive read on one's social world.

### Support You Receive

Support flows in readily. Others respond, show up, and leave them feeling genuinely appreciated and understood.

### How You Show Up in Relationships

They show up dependably for others in return, offering practical help, comfort, and advice with ease.
